

## A PREMIUM CLEAR PENETRATING SEALER FOR POLISHED PORCELAIN AND NATURAL STONE

### PACKAGING

### MIXING

### APPLICATION

### USES

### SUBSTRATES

PORCELAIN,  
MARBLE,  
GRANITE

### DESCRIPTION

A clear water based sealer for protecting polished porcelain, stoneware, marble, granite and unpolished natural stone surfaces from moisture and reduces staining.

### FEATURES

- Quick acting – will repel water in approximately 24 hours
- Long lasting – giving years of protection
- Seals and protects the surface from moisture and reduces staining
- Will not darken or yellow with age
- Water based – environmentally friendly
- Low V.O.C. content

### USES

Apply to polished porcelain stoneware, polished marble, granite and natural stone to protect from staining and moisture ingress.

### COVERAGE (Approximate)

8-35m<sup>2</sup>/litre – depending on surface porosity.

### SURFACE PREPARATION

The surface to be coated must be sound and clean, free from oil, grease and other contaminants. Completely remove any previous coatings and ensure the surface is dry.

**To check the suitability of a sealer, apply a test area before commencing.**

### APPLICATION

On polished natural stone surfaces (eg. marble and granite), and polished porcelain stoneware, apply one application with a cloth and work into surface irregularities. Immediately remove residue by polishing with a dry cloth. Do not let GREENSEAL dry on the surface. **Be sure any sealer that does not penetrate surface is removed from surface within 5 minutes of application using absorbent paper or cotton towels.** On new grout allow 48 hours before applying GREENSEAL. Shake container well before use.

### STORAGE

Keep in a cool dry place away from direct heat.

### SAFETY INSTRUCTIONS

Ensure adequate ventilation during application and drying period. Avoid contact with skin or eyes, breathing vapour or mist spray. Keep out of children's reach.

### FIRST AID

If swallowed do NOT induce vomiting. Drink a glass of water and contact a doctor or Poisons Information Centre.

### SHELF LIFE

2 years in unopened containers.
