MANUFACTURER'S 10 YEAR GUARANTEE

CERAMIC TILE ADHESIVES & WATERPROOFING MEMBRANES

Construction Chemicals manufacture products in Australia, Asia and New Zealand with over 30 years of manufacturing experience.

•
Our Research and Development laboratory maintains and develops leading edge product technology.

•
When tiles are installed in accordance with AS3958.1-2007 and waterproofing installed in accordance with AS3740 in conjunction with Construction Chemicals written application instructions, good trade practices and any relevant local requirement, Construction Chemicals guarantee the performance of its ceramic tile adhesives and waterproofing membranes applied to structurally sound surfaces.

•
This guarantee applies to ceramic tile adhesives and waterproofing membranes for a ten year period from the time of application and covers only the cost of materials and labour of the original installation when the product is proven and acknowledged to be faulty.
