## MATERIAL SAFETY DATA SHEET

Issued 09/10/2000  
Revised 01/07/2010  
Code Green

### IDENTIFICATION

Product Name: **ACRYBOND**  
UN Number: None Allocated  
Dangerous Goods Class: None Allocated  
Subsidiary Risk Class: Not Listed  
Hazchem Code: None Allocated  
Packaging Group: None Allocated  
Poisons Schedule: None Allocated  
Use: Acrylic bonding agent for hydraulic binders.

**Not classified as hazardous according to criteria of Worksafe Australia.**

### Physical Description/Properties

Appearance: White liquid  
Boiling Point (°C) : Approx. 100°C (water)  
Vapour Pressure(kPa): Approx. 2.3 kPa (water @ 20°C)  
Specific Gravity: 1.0 @ 15°C  
Flash Point(°C): Not Applicable  
Flammability Limits: None  
Solubility in Water: Miscible

### Reactivity

No incompatible substances or hazardous reactions have been observed.

### Ingredients

Acrylic Emulsion plus ingredients determined not hazardous

### HEALTH HAZARD INFORMATION

#### Health Effects

**Swallowed** - Adverse effects are not expected.

**Eye** - Prolonged or repeated contact with eyes may result in irritation.

**Skin** - Adverse effects are not expected from a single, brief contact with this product. However, prolonged or frequently repeated skin contact with this product may result in slight irritation.

**Inhaled** - Inhalation over exposure is not expected at ambient temperatures. Slightly irritant to susceptible individuals.

#### First Aid

**Swallowed** - If swallowed, immediately rinse out mouth and then drink plenty of water. Seek medical attention.

**Eye** - Irrigate with copious quantities of water. If soreness or redness persists, seek medical attention.

**Skin** - Wash off with soap and water. Remove contaminated clothing and launder before re-use.

**Inhalation** - If discomfort is felt after inhalation of vapor or aerosol, remove affected person to fresh air and seek medical attention.

#### **Advice to Doctors**

Treat symptomatically based on judgement of doctor and individual reactions of patient.

### **PRECAUTIONS FOR USE**

**Exposure Limits** - An exposure standard has not been allocated for this product.

**Ventilation** - Use in well ventilated area.

**Personal Protection** - Avoid prolonged contact with skin and eyes. It is recommended to use protective goggles, protective gloves (PVC/Rubber/Butyl Rubber/Nitrile Rubber) and protective clothing which all comply with relevant Australian Standards. If prolonged exposure is anticipated or susceptible to breathing disorders wear mask conforming to relevant Australian Standards.

**Flammability** - Not flammable.

### **SAFE HANDLING INFORMATION**

**Storage and Transport** - Not classified as a dangerous good for transport by road or rail according to the Australian Dangerous Goods Code. Not classified as a dangerous good for storage. Keep containers tightly sealed. Store in a cool dry area. No special packaging or labeling requirements for storage or transport.

**Spills and Disposal** - Contain and soak up large spills with absorbent material (eg sand, earth). Small spills may be flushed away with copious amounts of water. Clean up personnel should wear protective clothing with goggles and gloves. Place waste in labeled drums for disposal. Preferable method of disposal is by incineration at an approved incinerator. May also be treated in an effluent treatment plant and separated solids disposed to approved landfill. Flush away spill area residues with copious amounts of water.

**Fire/Explosion Hazard** - Product is not flammable. Hazardous decomposition products are not expected. In case of fire use water spray/fog, foam, carbon dioxide, or dry chemical. Contain and dispose of fire debris and containment extinguishments in accordance with State and Local Government regulations.

All information in this data sheet is as accurate and up-to-date as possible. Since Construction Chemicals cannot anticipate or control the conditions under which this information may be used, each user should review the information in the specific context of the intended application. Construction Chemicals will not be responsible for damages of any nature resulting from use of or reliance upon the information.
